File 7-17

Mr. Fred Mandapat
Seattle City Light
1015 3rd Avenue
Seattle, Washington 98104

Dear Mr. Mandapat;

Per Del Young's request ~~Resource Recovery Corporation~~
Corp. agrees to provide disposal of PCB's for City Light
~~as follows:~~

Drums of non-pumpable PCB material	- \$ 58.64/dr.
Drums of pumpable PCB material	- \$335.00/dr.
Pallets of capacitors	
Transportation	\$ 70.56/pallet
Disposal	\$ 3.90/cu.ft.

City Light will ~~provide~~ the drums and pallets
for ~~them~~
them and transport them to an approved disposal site.

Because there are no approved incinerators for liquid
at this time the liquid will be stored at Chem-Nuclear's
disposal site in Arlington, Oregon, until an incinerator is
approved.

~~for~~
~~changes.~~

Sincerely,
